Re: **L.G. Philips LCD Co. Ltd. v. Tatung Company et. al., C.A. No. 05-292**
(JJF)

Dear Judge Farnan:

In light of LPL's May 1 election to withdraw its claim that the defendants infringed the '121 patent, the parties are now ready to get deposition discovery underway on the remaining issues. To that end, Defendants renew their request made at the April 25 hearing, though in a slightly amended form given LPL's withdrawal of its '121 claims, that this Court impose the following limits on deposition discovery:

CPT and LPL – 20 hours of Rule 30(b)(6) testimony may be taken of each party and 4 individuals from each party may be deposed in their personal capacity.

ViewSonic, Tatung and Tatung of America – 5 hours of Rule 30(b)(6) testimony may be taken of each party and 1 individual from each party may be deposed in their personal capacity.

Third-Parties – no change from the Court's prior order (there are no limitations on the number of third party depositions that may be taken).

Of course, if Your Honor should have any questions or concerns, counsel remains available at the Court's convenience.

Respectfully,

Matthew W. King

The Honorable Joseph J. Farnan, Jr.
